

***Itemized Deductions (Schedule A)***

Note: Generally, this applies to you if you own a home, make over \$65,000, have lots of unreimbursed expenses at your job, or all of the above. Be sure to have all the following documents and/or figures totaled and written down or printed out and in hand at that start of your appointment. It is not necessary for you to fully fill in this form, but it is important that you have all the totals written down or printed out before your appointment begins. Please have the information in this order also, and it will help the appointment move quicker.

***Instructions: Please write the annual totals next to each item listed below. Leave blank if zero.***
